Master Plan Subcommittee Meeting Minutes

January 22, 2025

4575 Pine St, Columbiaville, Mi 48421

The meeting was called to order by Supervisor, Dennis Hogan, at 10:00 A.M. Roll Call was taken showing John Dietering, Justin Church, Rosalee Perdue, Sandi Glesenkamp, Harold Meineke, Dennis Hogan and Stacy Baker were all present. Lorri Hollis was present via TEAMS. Guests included Carl Rodjewski and Cherish Parrish. There was a technical difficulty with accessing TEAM through the equipment at the Township Hall, so via cell phone, members were able to hear Alex Hritcu and Amy Bontempo from Rowe Professional Services Company.

The pledge of allegiance was recited. Everyone had a copy of an agenda and there were no additions or corrections. There were no minutes available, no public comment and no unfinished business.

New Business was the Master Plan Survey Question Review. There was discussion on how the survey would be distributed and it was decided to do a mailing along with the assessment notices which go out around February 20th. The survey will also be available on the website or Facebook. There will be a QR code to access the survey online.

A draft survey was provided to all attendees. The first page of the survey was concerning demographics. It was suggested to include a question addressing school districts. The second page dealt with Economy and Housing. Transportation and Services brought about questions to include Public Transportation and road maintenance improvements. Questions about environment, perception and parks were covered in the next couple of pages. It was suggested to include a map of the Township too.

Alex and Amy noted the comments and will send a revised survey questionnaire to Dennis Hogan who will re-email it out to all members of this subcommittee.

There was no correspondence and the meeting was adjourned at 11:10.
