UNFINISHED BUSINESS

Adoption of new zoning ordinance issues The Board discussed letters received from both our attorney and Mark Eidelson of the LandPlan which indicated that there are going to be issues with our zoning ordinance that may not univocally comply with the MZEA, as it is an ever evolving document, left up to interpretation in many instances.

Public notice of adoption of new ZO Johnson presented the draft of a notice to publish the adopted zoning ordinance. Everyone agreed it was acceptable to place in the LA View.

Zoning violation at 6953 Fostoria Road Moorhouse presented the information on this structure that is both violating our blight and dangerous building ordinances. It was agreed it should be passed on to Attorney Gildner for court action, as our correspondence to the owner has gone unanswered
