APPROVAL OF AGENDA Chaffer made a motion, supported by Moorhouse to approve the agenda with two items added; Road projects to unfinished business and bridge jumping to new business. All YEAS. Motion carried.

UNFINISHED BUSINESS

Poll accessibility grant Johnson updated the group on the current status of the grant request submitted in May.

Parks and Recreation Commission Moorhouse has found two new members to serve. Harold (Smokey) Meineke and Dennis Hogan. He is still searching for one more member.

MMM Labor Day Walk. Discussed plans for the walk and what still needs to be done.

Road projects. Moorhouse presented two more road projects that could be done this summer. We will discuss these further at next board meeting and vote on approval to move forward with the projects.

NEW BUSINESS

Landscaping at township hall Discussed having Creative Lawn and Landscaping pull out the overgrown bushes at the back entrance to the hall and planting new bushes and spreading mulch. The bushes have grown out of control and are now impeding peoples' ability to get on to the ramp. The estimate to do this is \$364.00. The money is in the budget to move forward with this project. All agreed it should be done.

Bridge jumping Chaffer is concerned about people jumping off the bridge on the Southern Links Trailway into the reservoir. It is a perpetual problem in the summer. He would like to see more done by our police officer to control this problem.

Meeting was adjourned at 9:20 am
